

Northampton Parks & Recreation

Baseball Skills & Drills

For Players ages 9-12

Advantage Baseball Programs was established in 2011.

We will be coaching players to improve all skills:

- *Throwing *Fielding *Hitting *Catching
- *Pitching *Base Running *Situational Play

Advantage Baseball is focused on developing complete players. Everyone will learn to throw, catch, hit and field with sound fundamental techniques. All players will practice playing in the infield and outfield. Pitchers and Catchers will have an opportunity to pitch and catch. There will be basic instruction for newcomers and advanced training for players who are already competing at an advanced level.

Director Coach Zach Holt

2002 WNEC graduate, 4 yr. starter, 2 All-League

awards and League Championships, middle infielder and outfielder, Head Varsity Coach at Hampshire Regional 2004-2008.
